## Voluntary Contribution

**Parents are invited to make a voluntary contribution for the following:**

- a) educational visits (off site visits)
- b) educational visitors (in school)

The terms of any request made to parents will specify that the request is for a voluntary contribution and in no way represents a charge. In addition the following will be made clear to parents:

- a) That the contribution is genuinely voluntary and a parent is under no obligation to pay; and
- b) That registered pupils at the school will not be treated differently according to whether or not their parents have made any contribution in response to the request.

The costs of any optional extra undertaken by any pupil whose parents/guardians are unable to pay may not be included in the charge to other pupils but must be funded through the delegated budget, school fund or other fundraising.

The responsibility for determining the level of voluntary contribution is delegated to the head teacher.
