'Together, in faith, we will succeed'

7th July 2017

Dear Parents/Carers

Thank you for your on-going support of all of the additional opportunities that are provided in school. Apologies for the short notice with KS1 sports day - we recognise that this was not ideal – circumstances at the last moment enabled us to take the chance, so while we could, we did. For those of you who were able to attend, it is hoped the late notice did not affect your enjoyment of the event – the children were brilliant!

There are not many events left for the KS2 sports day to complete and so we are looking for a 45 minute session where this can be finished – many children have already completed their involvement, however, we will endeavour to provide as much notice as possible.

PSA Summer Fair

We had a fantastic time on Friday afternoon – the activities, turn-out and effort from PSA and staff was brilliant. It was exciting to be able to open the new Outdoor Quiet Area – an incredible facility provided by the PSA. The children have loved having access to that this week.

Awards Ceremonies

As the academic year comes to end we look forward to the opportunity to celebrate your child's achievements with you. All children will be celebrated for their efforts and achievements across the whole curriculum. You are warmly invited to come and join us. The time for your child's ceremony is highlighted below.

12 th July	Reception Class (1:30 – 2:00)	Year 1 & Year 2 (2:15 – 3:00)
13 th July	Year 3 & Year 4 (1:30 – 2:15)	Year 5 & Year 6 (2:30 – 3:15)

Children can be taken home after their award ceremony if that would help.

BUMP-UP session – Monday 10th July

The traditional BUMP-UP session will take place on Monday 10th July, when the children get the chance to meet their new teacher for next year. The school team for 2017-18 will be shared in a letter sent home with the children after school that day.

*Please note that our current Reception cohort will do their Bump-Up session on Wednesday rather than Monday – something has arisen that means the original plan has had to be adjusted

Reports

Reports will be sent home today. If you would like to discuss the reports with the class teacher, a drop-in session will be provided on Monday 17th between 3:30 – 5:00pm. There will be no fixed appointment times but discussions are likely to be between 5-10 minutes.
