

St Luke's CE Primary, ENDON

'Together, in faith, we will succeed'

11th November 2016

Dear Parents/Carers

PSA Christmas Market

Thank you to our PSA for running a highly successful event and to all who were able to go along and support. Over £700 was raised. If you are able to offer help with the set-up of the Christmas Fair (Friday 2nd December) please let the PSA team know.

Parent Workshops – 16th November: 6pm – 7pm – cancelled

Unfortunately, this term's workshops have needed to be cancelled. Our request for indications of interest only returned 10 responses.

Mrs Woodward will arrange a new time and date for the SATs workshop and Open Days will be provided early in the new year for you to have the chance to see the teaching approaches used in school and to see first-hand how you might support your children.

Football @ Excel

Following a brilliant Friday evening's efforts our school team are currently joint top of the Burslem 9-a-side league. We wish them continued success for the coming Friday.

Netball v. St Anne's

As part of our preparations for the Burslem competition next week, we played St Anne's in a few warm-up matches. I am delighted to report that we finished the evening undefeated. Thank you to Mrs Stockton and Mrs Blainey for their efforts.

Parking in Orford Road

Unfortunately we are starting to receive complaints and concern over parent use of Orford Road for parking. Please try to find alternative parking.

Children in Need – 18th November

This year, in response to the children's decision through Learning Forum, we will be supporting Children in Need. We are linking this to Universal Children's Day and Anti-bullying Week and a range of activities will take place on Friday. The children will have the chance to make a donation and join in their class activity. They should come in non-uniform although around the class activities a regular programme of learning will occur. Please come and join us during Celebration Time to find out what the children have been up to.

Have a good weekend

Phil
