

St Luke's CE Primary, ENDON

'Together, in faith, we will succeed'

14<sup>th</sup> October 2016

Dear Parents/Carers

Wow! What a week! Thank you for all of your messages of best wishes and encouragement this week. This school community is one with which we should be very proud.

**Year 5 assembly – postponed until Friday 4<sup>th</sup> November**

With the events of this week and the upcoming Parent-Pupil Consultations, we have needed to postpone the Year 5 assembly. We apologise for any inconvenience.

**Thank you to all involved in running the PSA Disco!!**

**Y2 @ Ford Green Hall**

Miss Dunn and Miss Hambleton had a great time with Year 2 at Ford Green Hall this week. The trip really inspired their writing and has stimulated even more questions and interest in the Great Fire of London. Thank you to all who helped with this trip.

**Parent-pupil consultations**

A note with your appointment time will be coming home either today or on Monday. Sorry we didn't meet our own deadline of Thursday – I'm sure you will understand the reasons this was missed.

**Girls' football team**

Yesterday our girls' football team won the Staffordshire Moorlands 7-a-side football tournament at Moorside School. The girls were courageous and worked superbly as a team. The girls will now go on to play at St George's Park, where the England train, in the regional finals. Mr Stokes also did a great job of organising them. The girls will also benefit from FA coaching sessions after January and further competitions are arranged.

**Cross-country**

Our children have enjoyed another successful cross-country meet this week. There were plenty of notable performances, including Ciara Yates (1<sup>st</sup>), Martha Clowes (4<sup>th</sup>) and Tilly Thursfield (5<sup>th</sup>). Keep up the good work. Have a good weekend

Phil
