

'Helping Lights Shine For All'

23rd March 2018

Dear Parents/Carers

A short but busy term is drawing to a close – thank you for your support!

Year Five have returned from a fantastic trip to the Brecon Beacons – they have been geo-caching, canoeing, climbing & hiking on Sugar Loaf. The snowy conditions certainly added to the excitement of the trip. Miss Taylor, Mr Stokes, Mrs Eardley & Mrs Snow went over and above expectations to ensure that the children had a great time.

Academisation Update

We have now received our Academy Order which clears the way for further due diligence and both legal and financial processes to take place. We have now set the date for 1st September for our school to formally academise. With that in mind, and the subsequent minor adjustment to the school name, please hold back from buying new uniform at this stage. We will be planning with Mr Motif in the next few days how we will manage the transition between names on the uniform to ensure that costs are covered by the school.

Parking

As parents/carers are very much aware car parking space is very limited on site and have a responsibility to ensure the safety of children and staff. To that end we have again taken advice from the local authority Health and Safety team to review procedures. We are asked to remind parent/carers that the car park cannot be used to drop off or pick unless on the days FAST Club is being used.

We have also had telephone calls from residents in the streets around school regarding parking at the beginning and end of the school day. Could we please ask that you be considerate of residents' property and conscious of safety when parking in Platts Avenue, Brookfield Avenue, Stoney Lane and Clay Lake.

Start of summer term – Monday 16th April
