'Helping Lights Shine For All'

22nd September 2017

Dear Parents/Carers

Year 6 have returned from a fantastic trip to Boreatton Park, Shrewsbury ready and raring to go in their final year, clubs are up and running, and we are well and truly into the full swing of school life again.

Y4 @ The Roaches

Year 4 had a great time, taking their learning outdoors in our local environment, with a trip to the Roaches this week. Supported by the Wildlife Trust they have been left with a sense of awe and wonder which will hopefully inspire them during their topic this term. Year 3 will be heading out there next week!

Parent Reading Team & Parent Maths Team

Thank you to all of those who have come forward to volunteer your time to encourage our children in their reading and maths. If you have volunteered please check in the office that your name is listed as offers come in to different people and we want to check we have a centralised list. We will be in touch early next week to confirm which days and times are best, with the intention of starting in the week beginning 2nd October.

Methodist Church Car-park

The Methodist Church have politely requested that anyone using their car park avoids parking close up against the doors and in the disabled space. As the church opens its doors up to more and more activities those involved need easy access to the building. Please be mindful.

Y1 & 2 Harvest Show – 4th & 5th October

This year, rather than a Christmas play for Y1 & 2, the children will be performing a Harvest Show. This will help space out the events in school year and ease logistics around space and access to the stage during the busy Christmas period. Letters will be coming home this evening. There will be an afternoon performance at 2:30pm on Wednesday 4th October – children and siblings can be taken home at the end of the performance if that helps. There will also be an evening performance at 6:00pm on Thursday 5th October.

Census Day – 5th October

Every year, around this time, the DfE undertake a census of schools attendance and uptake of meals (particularly the Universal Free School Meals which every Reception, Year 1 and Year 2 child is entitled to). This data is used to calculate the school's funding going forward. We politely request that you ensure your child is in school on this day and if they are in Rec, Y1 and Y2 you book the free meal you are entitled to. For all Y3-6 children we will provide a school meal for £1 – please make sure you book in advance via the Livekitchen website.

Dolce Taster Session – 28th September @ 2:30pm

The school's catering company will be offering a free taster session for parents on 28th September at 2:30pm to tie in with the end of the school day. This will provide an opportunity to find out more about the range and quality of the food provided at lunchtimes.

Bag to School – 10th October

Just so that you can start to get ready before the official letter comes out, the next Bags to School is 10th October.

School Comms

Some people are reporting that they are not receiving messages. If you have downloaded the APP then any message we send will go to that rather than text thereby saving school money. To ensure you get messages please make sure that the notifications are set to "ON" so you can be made aware as soon as they are sent.

Staff Vacancy – Kitchen

A vacancy has arisen in the school kitchen for 10 hours per week for National Minimum Wage to cover general kitchen duties during the lunchtime period. For further information and an application pack please contact Leanne Stanley on Tel 07392866552.
