

St Luke's CE Primary, ENDON

'Together, in faith, we will succeed'

27th January 2017

Dear Parents/Carers

Mealtime assistant post

There is a mealtime assistants post available from the start of February. If you, or anyone you know, would be interested in the post, please speak to one of the office team or Mr Wright.

Year 6 – Dog Trust Trip

The Year 6 children had a great trip to the Dogs Trust earlier this week in support of the topic work and class reader. The children's behaviour was exemplary and they came back excited about new learning.

E-safety

The next few sections of the newsletter really need keen attention as one or two things have been brought to our attention this week.

Roblox

This is an online game that can be downloaded on to XboxOne and PCs. This game also has a chat function. Please be aware that your children may be accessing this and they are unaware of who they are talking to. A parent has reported this week that their child has been invited to meet with another person through the chat function.

Instagram

The use of Facetime is becoming more and more popular – as is Instagram. You will be aware that Instagram should not be used by under 13's. We are conscious that this may be used by children at our school. If you would like further information about Instagram – what it is, who should use it, please ask in the office and a small information booklet can be passed on.

NSPCC Initiative

The NSPCC are providing support for parents on the effective use of parental controls on the computer, as innocent searches can bring up highly inappropriate content. The support can be found on the web link below:

<https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/online-safety/parental-controls/>

PSA Disco – 17th February 2017

A date for the PSA Disco has been arranged and we look forward to trialling the new format.

As a result of this booking the Year 4 assembly has been brought forward to Friday 10th February.
