'Together, in faith, we will succeed'

28th April 2017

Dear Parents/Carers

Welcome back to the summer term – feels a bit more like winter! It's been a busy start to term already with some events already having happened and others on the horizon.

Staffs Moorlands Tag-rugby

On Wednesday our mixed Y6 tag-rugby team took part in the Staffs Moorlands 8-a-side tag-rugby tournament at Leek Rugby Club for the first time. Our team surprised everyone, including themselves and made it to the final of the competition. They will now go on to represent the school in the county finals in Cannock. We are very proud of them and the way they performed and conducted themselves. Our Year 3/4 team take to the field on Friday 5th May.

Burslem Town Cross-country

On Thursday we had eight of our school team representing Burslem in the City Meet at Haywood High. We are delighted to have such strong representation at this meet and look forward to challenging in the Staffs Moorlands event later this month.

Alison Peacock – Tuesday 16th May

Some exciting news for our school is that Dame Alison Peacock, CEO of the Chartered College of Teachers is coming to visit our school and find about what we do in May. This is a great opportunity to share some of our approaches within a national forum and to be supported and acknowledged in what we are trying to achieve.

DT Day – date change

In light of Alison Peacock's visit we have adjusted the timing of the DT Day. This will now take place on the afternoon of Wed 17th May and all day on Thursday 18th May. This is a great opportunity for the KS2 children to apply all of the learning and skills within a creative context. It is also a great chance for you (parents) to come in and work alongside the children. We are planning to turn the school into a biscuit factory and then create Biscuit Market on Friday afternoon to sell the children's produce. A letter with more details will go out early next week and give the opportunity for you to sign up and join in.
