'Helping Lights Shine For All'

6th October 2017

Dear Parents/Carers

Well done to the KS1 team and children for their Harvest performance. This year we will be working with our Charity Events Co-ordinator team to bake some cakes and biscuits to share with some of the local community as well as spend some time sharing a book or a game. We are keen for the children to 'give' in a practical way as well as fundraising.

X-country @ Sneyd Green

Our x-country team enjoyed their first meet this week. There were some notable performances and new members of the team to celebrate. We are pleased that almost 50 children attend this after school club.

***Bags to School – 10th October**

Parent consultations – 18 & 19 October

Please return your appointment slips as soon as possible before the deadline to help with the arrangements. This will help us communicate the appointment times allotted in good time. Thank you.

Christmas Card Creations

The children will be working on the Christmas Card designs in the next few weeks. This is an excellent PSA initiative which we join in with every year. It provides the opportunity for you to buy personalised cards designed by your child and raises money for the school at the same time.

Clubs – w/b 16th October

Due to an unusually high number of sports fixtures and Parent Consultations in the final week of half term we will be unable to provide after school clubs. FAST Club will operate as usual as different staff and working space are used. We apologise for any inconvenience.
